

TCG: Sword & Shield— SCarlet and violet 36 BoosterS

## Description

### **36 Sword & Shield Astral Radiance booster packs**

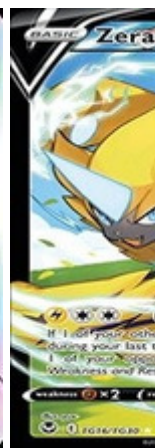

- Playing Card Game.
- The expansion will debut an exciting new game play mechanic called Battle Styles, introducing two different forms of attack: Single Strike and Rapid Strike.
- The former is the POKET MONSTERS equivalent of throwing a knockout punch; the latter is like a chess game using tactical attacks to build steadily to victory.

### **Pocket Monsters Playing Card Board Game Darkness Ablaze Booster Packs**

The legacy evolves all trainers and grow and evolve – and this expansion restores the very first cards to glory

- GIVE YOUR COLLECTION A BOOST: Includes 36 Sword & Shield Astral Radiance booster packs containing 10 cards each to advance your collection to a new level.
- YOUR BEST ODDS FOR RARE CARDS: This booster box is factory sealed to prevent packs from being weighed or mapped. No more fear of valuable insert cards being removed.
- BECOME THE GREATEST TRAINER: Will you find Ice Rider Calyrex VMAX, Shadow Rider Calyrex VMAX, or Galarian Articuno, Zapdos, or Moltres?
- Within the expansion you can also collect Trainer cards and a new Special Energy card along with new Single Strike and Rapid Strike cards.

- These pocket monsters Cards are made of extremely smooth high quality coated paper material, this is a rare piece of art!

- Fans will have the opportunity to visit Gyms in the region in their quest to become Champion.

- Package Includes all the accessories required for all the games.
- It can be an Amazing Gift For Your Kids to Concentrate on other Games apart from Engaging into Computer and Smartphone.

- Best kids all over the world will love this beautiful
